RECIPROCITY

If you wish to transfer your certification to Clark County (Las Vegas, Laughlin, etc.) you will need to work with Southern Nevada Health District. Contact information is:

Southern Nevada Health District
625 Shadow Lane
Las Vegas, Nevada, 89106
(702) 759-1050

If you wish to transfer your certification to any **area in the state outside of Clark County**, you will need to work with the Nevada State Health Division's Office of Emergency Medical Services.

The Nevada State Health Division's Office of Emergency Medical Services has reciprocal agreements with all 50 states, as well as the National Registry of EMTs. What this means is if you are currently certified as an EMT Basic, EMT Intermediate or EMT Advanced (Paramedic) with one of those entities, your certification may be transferable to Nevada, providing you meet the requirements as set forth in NAC 450B.363:

(a) The applicant:

- (1) Is a resident of Nevada;
- (2) Will be a resident of Nevada within 6 months after applying for certification; or
- (3) Is a resident of a state contiguous to Nevada and is employed by or an active volunteer with a service or fire-fighting agency in Nevada.

If you meet the requirements as listed above, complete the 'Application for Reciprocal Certificate' located on this webpage. After completing the application in its entirety, forward it to our office along with the following:

- A. A check or money order payable to the "Nevada State Health Division" in the amount of:
 1. Sixty dollars (\$60.00) for Advanced EMT Certification.
 2. Fifty dollars (\$50.00) for Intermediate EMT Certification.
 3. Forty dollars (\$40.00) for EMT or First Responder Certification.
- B. Copy of a valid EMT Certificate. (You must have at least 3 months left on your certification)
- C. Copy of a valid CPR Card.
- D. For Advanced EMT Certification, a copy of a valid ACLS Card.

If you are currently certified in other state:

Upon receipt of your completed application, we will send a verification letter to the state that issued your certification for Emergency Medical Services. Upon receipt of verification that your certification is in good standing, we will contact you by mail and advise you to contact our office to arrange to take the Nevada State Practical and National Registry of EMTs Written Exam.

If you are currently certified with the National Registry of EMTs:

Upon receipt of your completed application, we will verify your certification via the NREMT Web page. Upon verification that your certification is in good standing, your Nevada certification will be mailed to you within 30 days.
